

Get Hooked On Fins!

Welcome to Fins Market & Grill

The first **Fins Market & Grill** opened in Fair Oaks, California, in 1991. Founded by a brother and sister whose family had been deeply rooted in the fishing industry, Fins quickly became a Fair Oaks tradition. We purchased Fins Market & Grill in 1998, and since that time have continued to carry on the original family's tradition of serving the freshest fish – in a fun, casual and friendly atmosphere.

The original Fins began with eight tables and a fish case. By 2001 it had almost tripled in size. In 2006, after encouragement from family, friends and loyal customers, we opened our second Fins location at 2610 Fair Oaks Blvd. In fact, it was a couple of those loyal customers/friends who actually found our second location for us, coincidentally located just five minutes from their new home! In February of 2007, we opened our third location in Roseville in the Renaissance Creek Shopping Center.

Thank you to everyone who has given us so much encouragement and support throughout the years. We value your loyalty and your friendship and we appreciate the opportunity to serve you. If today is your first visit with us, welcome!

As you dine with us today, we hope you enjoy the simplicity of our fresh fish – grilled to perfection. And remember, in addition to our restaurants, we also offer **Fins Lunch Catering**, delivered to your office or home, as well as full service catering for all your events.
